

PRANALI NDT SERVICES

ASSURING QUALITY SINCE 1999...

AN ISO 9001: 2015 CERTIFIED COMPANY

**20 YEARS OF
TRUST INTEGRITY EXPERTISE**

About us

Welcome To Pranali NDT Services

Pranali NDT Services Provides Complete Industrial and Marine Inspection Solutions For Various Industrial Sectors.

Known for Expertise, Integrity, Reliability

From its humble origin in 1999, PRANALI NDT SERVICES has emerged to be a highly reliable provider of various inspection services, with a competence driven approach and ever increasing trust of our clients over last two decades.

Our business strength is shaped by our core strategies and values, wherein we strive to uphold the competence and excellence level of our services. The mission of PRANALI NDT SERVICES is to exceed the customers' expectations by providing outstanding services with a dedicated team of technically competent inspectors.

Over last two decades, we have grown as quality partners for over 300+ National and International clients including Government and Private Organization as helping hands for fabricating and maintenance of their engineering assets through catering their inspection and training needs.

We look forward to work with you as your partner that would not only improve the efficiency of your engineering and workforce but also contributes towards the success of your organization.

Quality Policy

We will strive to achieve growth and leading position in the market by:

- Supplying consistent, impartial, timely service to our valued customers
- Timely improvement and implementation of advancement of techniques and equipments.
- Acquiring knowledge and competence for complying with requirement of our valued customer
- Complying requirements & continually improve the effectiveness of quality management system
- Maintain healthy and adaptive work environment

Vision

To assure safety for engineering structures & assets by reassuring engineering quality through our expertise and experience.

Mission

To assure secure working environment for men and machines by reassuring quality of engineering assets through our expertise and experience

Our Services

Industrial Inspection

- Ultrasonic Thickness Gauging
- Ultrasonic Flaw Detection
- Phases Array Ultrasonic Testing
- Liquid Penetrant Testing
- Magnetic Particle Testing
- Radiography Testing
- Positive Metal Identification
- Eddy Current Inspection
- Portable Hardness Testing
- Ferrite Testing
- RLA Test for Boilers
- Load Test for Lifting Tools
- Gear Box Inspection and Servicing
- Welder Qualification and Consultancy
- NDT Level III Consultancy
- NDT Training

Marine Inspection

- Ultrasonic Thickness Gauging
- Ultrasonic Flaw Detection
- Phases Array Ultrasonic Testing
- Liquid Penetrant Testing
- Magnetic Particle Testing
- Radiography Testing
- Positive Metal Identification
- Eddy Current Inspection

Civil Inspection

- Rebound Hammer Test
- Ultrasonic Pulse Velocity Testing
- Cut And Pull Out (CAPO) Test
- Carbonization Test
- Ultrasonic Flaw Detection
- Liquid Penetrant Testing
- Magnetic Particle Testing
- Radiography Testing
- Positive Metal Identification
- Welder Qualification and Consultancy

Our Products

AREA AMPLITUDE BLOCKS

CENTRIFUGE TUBE

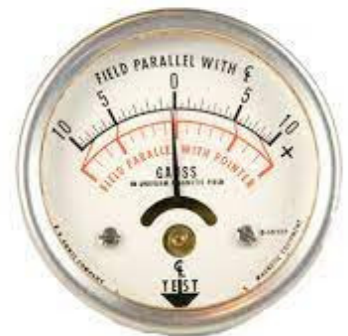

DAC BLOCK

DYE PENETRANT TESTING KIT

ELETROMAGNETIC YOKE

MAGNETIC FIELD GAUGE

LIGHT METER *analog output*
Model : LX-102 *ISO-9001, CE, IEC1010*

LIGHT METER

IIW V1 BLOCK

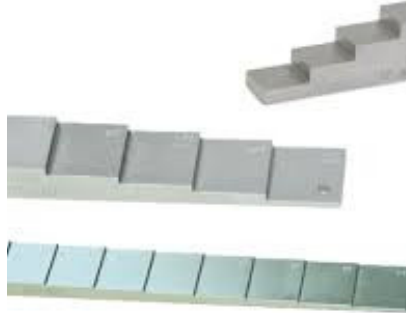

MPI LIFTING WEIGHT

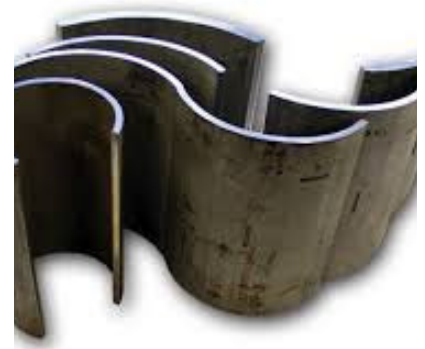

Our Products

PIE GAUGE

STEP BLOCKS

NOTCHES FOR ULTRASONIC TESTING

UV METER

ULTRAVOILET LAMP

ULTRASONIC PROBES

Industries We Serve

Cement factories

Petrochemical refineries

Cross country pipeline

Gas transportation pipeline

Sugar factories

Civil structures

Ship/Vessel fabricators

Our Team

Mr. RAVINDRA MADHUKAR BHOGATE

Managing Director

ASNT NDT Level III

Mr. Ravindra Madhukar Bhogate is certified as NDT LEVEL III by AMERICAN SOCIETY OF NON DESTRUCTIVE TESTING (ASNT) having vast and extensive industrial experience of 30 years in field of inspection and consultancy

Worked as Inspection Consultant and Training Expert for leading organization in India and Overseas. His expertise in Conventional Ultrasonic Inspection. He is a life member of several professional societies like ISNT, ASNT. He has vast experience in the field of inspection and consultancy across a diverse group of industries like pipeline, powerplants, offshore and structures etc.

Mr. Pratik Vijay Bhogate

Technical Operations Head

ASNT NDT Level III

Mr. Raju Borde

Head Of Project Infra

Civil Inspection Experience 30 Years

Mr. Shailendra Guru

Head Of Department

Marine Inspection Experience 30 Years

Mr. Sanjay Singh

Head Of Department

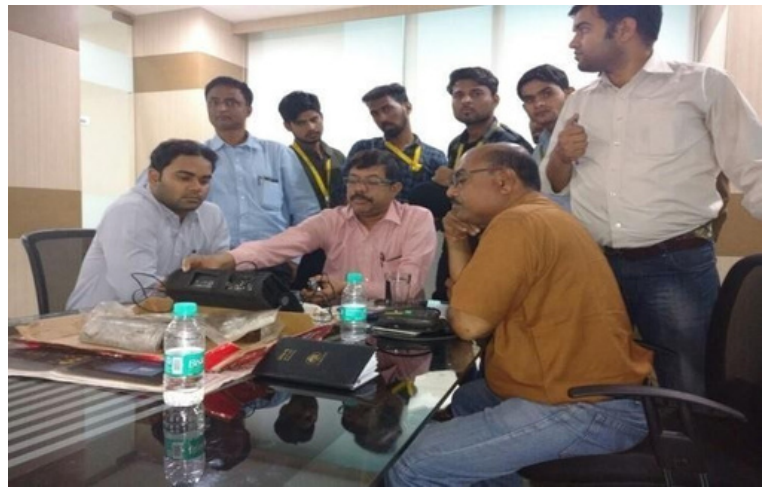

Industrial Inspection Experience 30 Years

Training

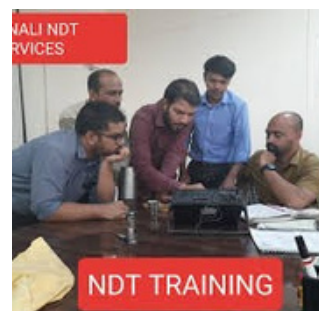

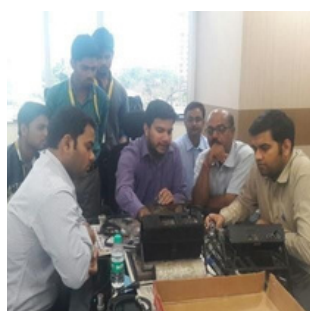

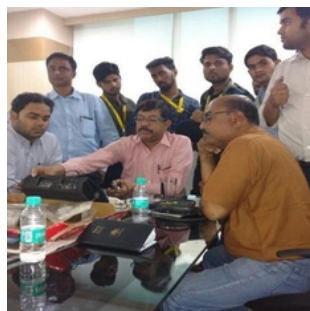

WE OFFER NDT LEVEL I /LEVEL II TRAINING AS PER SNT TC 1A IN FOLLOWING METHOD:

- Ultrasonic Testing
- Liquid Penetrant Testing
- Magnetic Particle Testing
- Radiography Testing
- Radiography Film Interpretation
- Visual Testing
- Eddy Current Inspection
- Phase Array Inspection
- Quality Assurance / Quality Control

**LEARN FROM THE INDUSTRY EXPERTS
BEST NDT INSTITUTE IN INDIA
TRAINED OVER 100+ CANDIDATES OVER LAST TWO DECADES**

Certificates

ISO 9001:2015

Indian Register Of Shipping (IRS)

Our Clients

INSPECTION :

SIEMENS

ADITYA BIRLA GROUP

TRAINING:

Vivekanand Education Society's
Institute of Technology
